

**Join Rutgers Cancer Institute of New Jersey, ScreenNJ & the North Jersey Health Collaborative in a Free Upcoming Project ECHO® Educational Series Starting on Tuesdays at 8:30 a.m. in September 2021!**

**Addressing Barriers to Healthcare & Cancer Prevention Screenings for Adults with Developmental and/or Intellectual Disabilities**

**Moving Knowledge, Not Patients**

**Through technology-enabled collaborative learning, ECHO creates access to high-quality specialty care in local communities.**

**Hub and Spoke Knowledge Networks**

**Community providers learn from specialists.  
Community providers learn from each other.  
Specialists learn from community providers as best practices emerge.**

**Enhanced Client Care**

**Clients receive the right care at the right place at the right time.**

**Join Bi-Monthly Zoom Sessions**

**A safe space to connect, learn and share information with fellow community providers, specialists, care managers and social workers.**

**Have an Opportunity to Present & Comment on Case Studies**

**Present a de-identified case study to receive evidence-based recommendations and brainstorm on next steps for care. Brainstorm with colleagues to develop best practices.**

**Build Your Knowledge Base**

**Learn about local resources to help you provide the best patient care.**

**Zoom Sessions Start on September 14, 2021 at 8:30 a.m.**
