Please share with your colleagues, network, clients, family:

There are MANY misconceptions re Medicaid.

I invite you / your colleagues, network, family to me join me & Elder Law attorney, Michael Willis, to discuss the ins & outs of Medicaid Annuities, via Zoom, Thursday, 21 April at 5p EST.

A Medicaid annuity is a way to protect assets when qualifying for Medicaid extended care and nursing home benefits.

It prevents the care-taking spouse from going broke.

These accounts, called Single Premium Immediate Annuities (SPIAs) are complex and require advice from a CPA or eldercare attorney.

These are part of a long-term strategy so the sooner you act, the better.

Respectfully,

Gladys F Harris BS, MBA, CMC, CDP
