Julia Stoumbos

I will be glad to reach out to the Health Coalition of Passaic County. I believe they have attended some meetings in the past. Also will reach out to The United Way of Passaic Co, which participates in the Hunger Coalition.

The Clifton Health Department recently opened up a Satellite Office, which houses the Health
Department and Community Police Division at 207 Parker Ave in Clifton. The goal is to provide
important human service-related programs and screenings to the Botany Village community. We are
always looking to connect with newer community partners. If you are interested in collaborating with
us, please email lhelwani@cliftonnj.org or call 973-470-5773. Thank you!
