

Strategies Cheat Sheet

1) Increase understanding of system of free and reduced cost care in Sussex County (for the workgroup members) in order to identify and address gaps in the system, as well as better inform residents of care access points.

- # resources/services reviewed or contacted
- # of workgroup hours spent assessing current systems (if applicable)
- # of new leverage points identified to improve access/capacity/systems (previously unknown to workgroup)
- # of number of new resources identified and newly added (resource guide strategies only)
- #/% of identified leverage points acted upon (may even generate new strategies)
- #/% number of resources maintained in database (resource guide strategies only)

2) Aid eligible residents in signing-up for and using health insurance.

- # individuals referred/exposed to resources
- # of resources/agencies connected in referral pathway
- % who use resource/service (random sample if needed)
- % of resources/agencies actively making referrals through new pathways (random sample if needed)
- #/% reporting service/resource met their need (random sample if needed)

3) Identify and address barriers specific to primary care utilization for individuals who are the most in need.

- # of stakeholders engaged
- # opportunities for stakeholder engagement
- % of ideas that provide new information (previously unknown to workgroup)
- #/% ideas that generate new strategies OR # of new strategies developed

General Meeting Notes:

What is new since last meeting? Organize in a way that works for you. Write or type below:

Discussed pros and cons of continuing with surveys. It was decided to put the surveys on hold as the NJHC will be doing a community needs assessment in January.

Maureen is calling Shade Grahlng at Zufall to see what they are doing and what we might do to promote ACA given the cuts to dollars and the shortened open enrollment period.

Note: Performance measures reported at quarterly County meetings. To edit or add a strategy, e-mail data@njhealthmatters.org

Action taken since last meeting (description)	Who did this action (can be multiple people)
<p>Example: Surveyed and completed 35 questionnaires on access to care issues at 2 community health fairs</p>	<p>Example: Kelly Kapowski, John Jones</p>
<p>61 Surveys conducted by Project Self Sufficiency will be given to Kelly Kato to include with the analysis previously done.</p>	<p>Carol DeGraw</p>

Next Workgroup Meeting (Date, Time, Place): TBD

Do you need Data, Research or Technical Support from the Data Committee? If yes, please email data@njhealthmatters.org.

If you have questions or need support with other issues related to your workgroup, please email Catherine.Connelly@njhealthmatters.org.
