# Our Focus: Census Tract 435

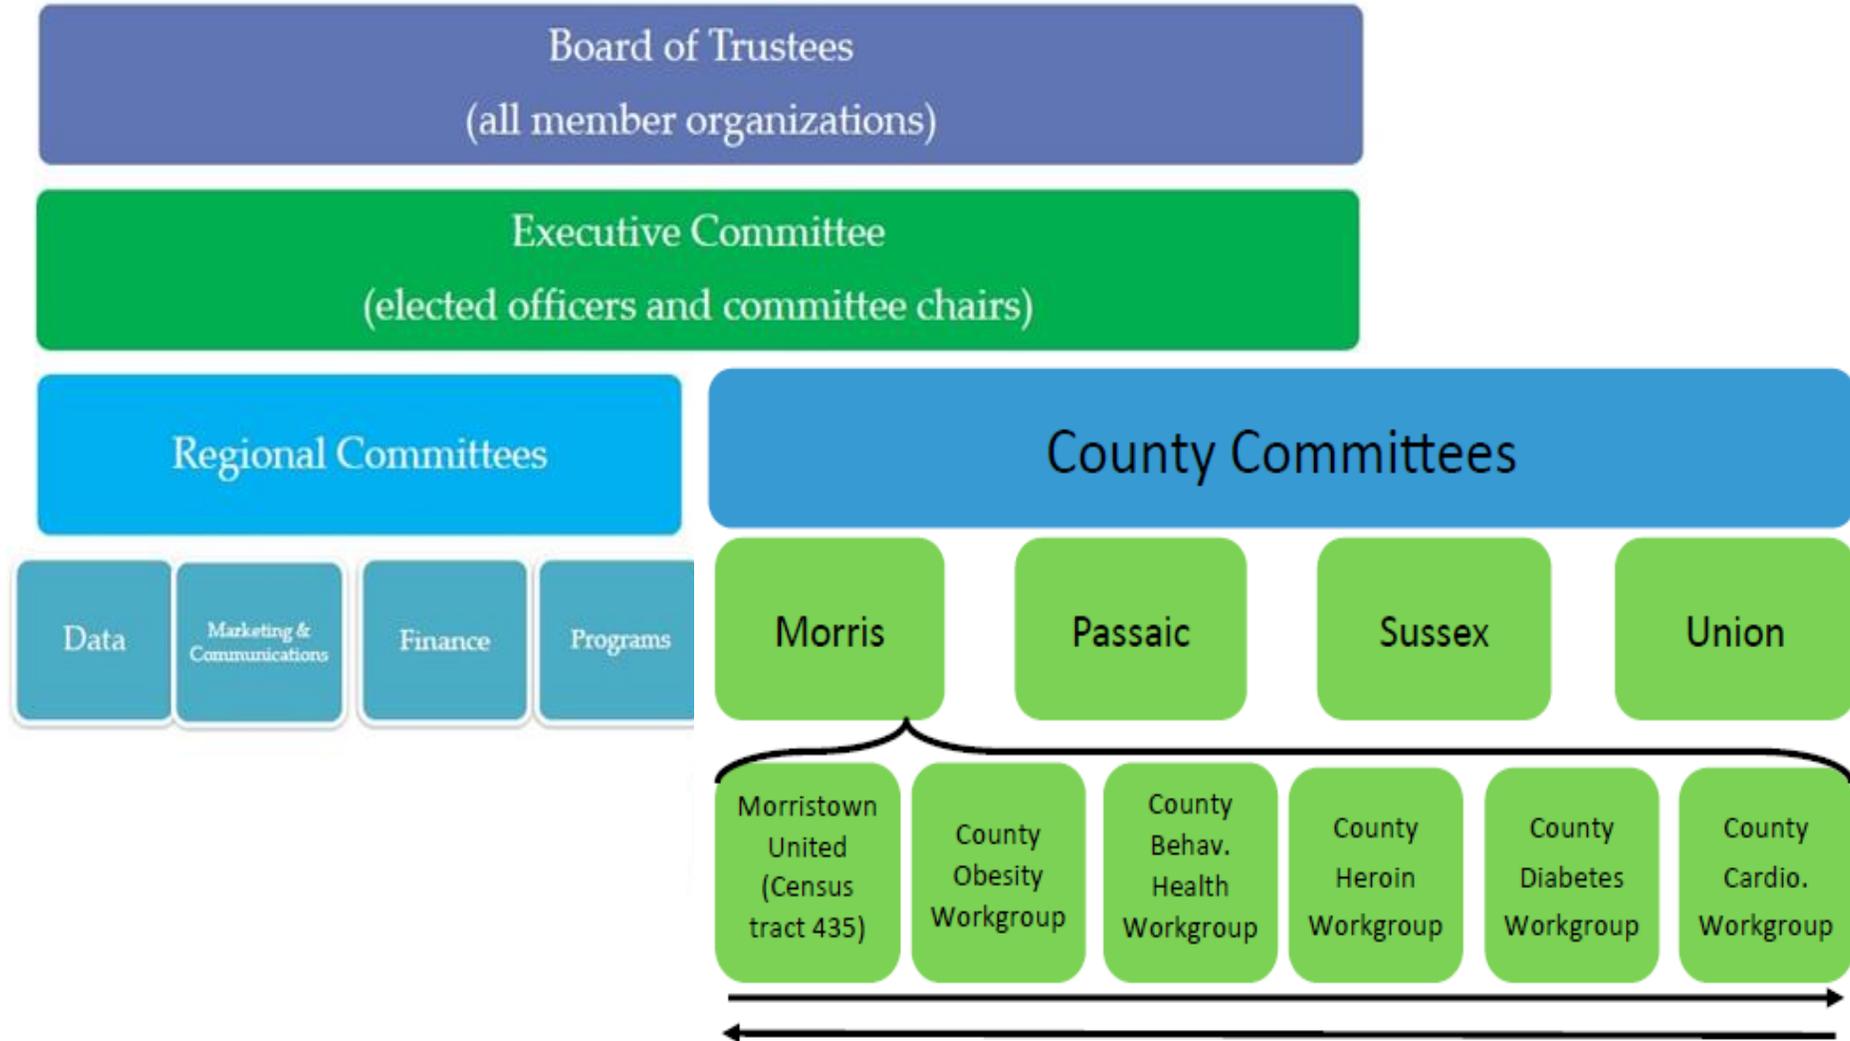

**Our mission is to build a culture of health in Morristown's census tract 435** by fostering teamwork, sharing resources, engaging the community, assessing neighborhood specific needs, and collaboratively creating and implementing action plans to address these needs.

# North Jersey Health Collaborative

*your health matters*

## Founding

- Census tract 435 identified as priority area by NJHC
- Steering committee invited
- Grant application accepted
- Boundary Spanning Leadership Training

## Needs Assessment

- Review of existing county data
- Postcard survey in 435 (N= 163)
- Coalition assembled
- Data review and listening sessions
- Key informant interviews
- Community interviews (N= 43)
- Voting

## Action Planning

- Selection of priority health issues
- Stakeholder recruitment
- Redefining our mission and vision as a group

## Implementation & Evaluation

You are here

## Steering Committee Role (in new phase)
